### Village Folks – Ages 8-12 years

June 25th - 29th / Time: 9:00-3:00

This program is all about design and creativity in the wild. This week, the children will be creating an entire village of stores in the woods using their own two hands. They'll be doing everything from creating their shop idea to making actual products & services to establishing the currency to sell and buy from other clans. There will also be plenty of time for free play, cooking over an open fire, and games in the wild. This program is sure to inspire hours of building, creating, and most importantly playing!

Cost: \$265

### Friends in the Wild Ages 5-8 years

July 2-6 (closed the 4th) / Time: 9:00-1:00

This program is all about diving deep into one's imagination with a little help from one's friends. Children will pick a stuffed animal from home to bring to the woods this week. They will be doing everything from making cars & grand-scale ramps for their pets to ride in to having a giant salon experience with their furry friends. Together, they will enjoy many adventures -- inspiring hours of pretend play out in the wild

Cost: \$185

### Going Wild Ages 8-12 years

July 9-13 / Time: 9:00-3:00

Back by popular demand, this is a classic TimberNook camp for the older children that love creating their own little world in the woods. The children this week will form clans, create their own mail system, and create barricades to prepare for a grand-scale paint war experience. There will also be plenty of time for free play, cooking over an open fire, and games in the wild. This program will stretch the minds of your young ones and leave them asking for more.

Cost: \$265

### Barefoot & Buckles Ages 5-8 years

July 16-20 / Time: 9:00-3:00

This program emanates childhood days past. A traditional TimberNook program where young children have unique play experiences that challenge their mind and body in beautiful natural settings, followed by hours of free play out in the wild. They'll be doing everything from having a life-sized car wash to digging for dinosaur bones in the mud to creating an ice cream shop in the woods.

Cost: \$265

**Sensory Adventures – Ages 8-12 years**

**July 23-27 / Time: 9:00-3:00**

This week's programming will be held at Stolworthy Sanctuary, Durham NH

This week is sensory extraordinaire. The children will be doing everything creating a water run that stretches the length of the woods to enjoying partner mud experiences to sledding in foam! There will also be plenty of time for free play, and games in the wild. This program is sure to challenge the mind, while fully engaging the senses at the same time.

**Storybook – Ages 5-8 years**

**July 30—Aug 3 / Time: 9:00-1:00**

One of our most popular programs, where young children “live and breathe” stories out in the wild. We'll be doing everything from building a house out of real bricks, sticks, and hay out in the woods to re-enact the classic fairy tale, The Three Little Pigs to creating a shoemaker's shop in the woods after hearing the story, The Elves and the Shoemaker. With the turn of every day, comes a new story for the children to experience and lots of FUN!

**Cost: \$185**

**Enchanted— Ages 5-8 years**

**Aug 6-10 / Time: 9:00-3:00**

Children will dive deep into their imaginations, as they enter the world of Neverland in the woods. Children will create life-sized pirate ships, a pixie hollow, “lost boys,” and “lost girls” hideouts. They will enjoy everything from pirate wars to walking the plank to hunting for treasure in the most unexpected places. This week is sure to inspire and create lasting memories for years to come!

**Cost: \$265**

**Extreme Art – Ages 5-12years**

**Aug 13—Aug 17 / Time: 9:00-3:00**

This week is about art -- gone wild. Children will be doing everything from creating forts out of Paper Mache to rolling down hills wrapped in bubble wrap in order to paint life-sized canvases. There will also be plenty of time for free play, cooking over an open fire, and games in the wild. If you think your child will enjoy whole body sensory art experiences, than this is the program for them!

**Cost: \$265**
