## **CLOSED FOR ONE WEEK AT THE END OF THE SUMMER**

**August 24-28<sup>th</sup>, 2026**

Growing Places sites are closed for one week between summer programming and the new school year. Staff work incredibly hard and long hours to do extensive cleaning, site improvement projects, goal setting, curriculum planning and overall program planning for the new school year. This week contributes a great deal to the quality programming we are committed to providing.

**Families are charged 50% tuition for this week.**
